The REGION drink "Where regions and Europe meet", is a joint initiative of **MEP Lambert van Nistelrooij** and the HNP. **Rob van Eijkeren, Head of office House of the Dutch Provinces**, will welcome you warmly.

MEP Lambert van Nistelrooij will introduce "Let the Stars Shine", a common initiative of nine Members of the European Parliament.

A reaction is then given by **Ronald van Roeden, Deputy Permanent Representative of the Netherlands to the European Union**. He will give his vision on communication of EU policy. Important, as policy close to the citizens is needed more than ever. Other MEPs will conclude with information on their "Let the Stars Shine" actions in the Member States. After the introduction and the speeches, there is plenty of opportunity for questions and discussion.

Do not miss this unique chance to meet the newly appointed Dutch Deputy Permanent Representative!

Kind regards,

Lambert van Nistelrooij
